PROFESSIONAL SUMMARY

Motivated Computer Science Engineering student seeking an entry-level software role to apply my programming skills and problem-solving abilities. Eager to learn new technologies, contribute to innovative solutions, and grow as a skilled professional.

EDUCATION

- B.E. Computer Science and Engineering** 2023 – Present
V.S.B College of Engineering Technical Campus, Coimbatore | CGPA: 8.2
- Higher Secondary Certificate (HSC)** 2022 – 2023
Annai Matric Higher Secondary School, Tirupur | Percentage: 85%

TECHNICAL SKILLS

- Programming Languages:** Java, JavaScript
- Web Technologies:** HTML, CSS, Bootstrap
- Frameworks:** Flask
- Database:** SQLite
- Tools:** GitHub, VS Code, Antigravity, AI Prompting Basics.
- Core Concepts:** Web Development, Role-Based Authentication, Software Development, Problem Solving

PROJECTS

AI Career Intelligence Engine Integration

Flask · SQLite · JavaScript · HTML · CSS

- Developed an AI-powered job screening platform to automate resume analysis and candidate evaluation for recruitment workflows.
- Implemented Flask-based backend functionality with SQLite database integration to manage users, job postings, applications, and screening results.
- Designed and developed responsive web interfaces using HTML, CSS, and JavaScript to provide a user-friendly experience across devices.
- Built automated resume screening and candidate matching features to improve recruitment efficiency and support data-driven hiring decisions.

INTERNSHIP

Web Development Intern — Tamizhan Skills

Aug 2025 – Sep 2025

- Built responsive web pages by applying practical web development techniques and modern coding practices.
- Collaborated with team members to complete assigned development tasks within deadlines.
- Gained hands-on exposure to real-world web development workflows and professional communication.

Database Internship – SQL — Tamizhan Skills

01Dec 2025 - 31Dec 2025

- Learned core database concepts, data management, and database management systems.
- Developed and executed SQL queries for data retrieval, manipulation, and analysis.
- Improved understanding of database design, data organization, and efficient data handling.

ACHIEVEMENTS

Team Leader — Smart India Hackathon (SIH)

Sep 2025

- Led a team in designing and developing an innovative software solution for a real-world problem, demonstrating leadership, teamwork, project coordination, and technical problem-solving skills.

CERTIFICATIONS

- TCS iON Career Edge:** Young Professional Program
- NPTEL:** Cloud Computing Certification

DECLARATION

I hereby declare that the above information is true and correct to the best of my knowledge and belief.
